

Grade 3 Supplies

Please send all supplies with your child on the first day of school. Please **WRITE NAMES ON PENCILS and pencil crayons**, as this will help solve the mysteries when pencils fall on the floor, etc. After collecting the following list of supplies, please see how to organize them into pencil boxes, Ziploc bags, and binders below.

- 1 pencil box
- 2 large Ziploc bags with name written on
- 40 HB pencils - SHARPENED (Note: Plain wooden pencils. NOT specialty pencils as they damage the pencil sharpeners at school.)
- 4 white erasers
- 2 large glue sticks
- 1 bottle Crayola white glue (this brand has a stay open tip that works well)
- 2 highlighters
- 1 scotch tape
- 2 pencil sharpeners with shavings catcher
- 1 pair scissors
- 2 large tip Expo dry erase markers
- One dry mark eraser or old (clean) sock

Put the following items into the pencil box: (to go into desk)

5 of the 40 sharpened pencils, 1 of the 4 white erasers, 1 of the 2 large glue sticks, 1 highlighter, the scotch tape, 1 of the pencil sharpeners, pair of scissors, and 1 of the 2 dry erase markers.

Put the remaining supplies into one of the ziploc bags. (to go into top of locker)
