

GRANUM FIRE ACADEMY

Prepare for a career in health care & first responder fields

The Granum Fire Academy is a 2-year program where Grade 11 & 12 students can earn high school credits while learning & developing skills that transfer to careers such as nurse, emergency medical technician, paramedic, or firefighter.

Medical First Reponse

- Offered once each semester (2022-2023)
- Minimum 4 high school credits
- First Aid certification
- Preparation for college-level EMT course

Firefighter

- Full-year course (2023-2024)
- Minimum 8 high school credits
- Level 1 Firefighter certification
- Includes live fire training

PROGRAM DETAILS

- Location: Granum School, Granum Firehall, and the future M.D. of Willow Creek training facility
- Time: Fridays, 1:30-4:30pm + training hours
- Cost: \$100 per course for a total of \$200 (includes certification, testing, GFA shirts, bunker gear)
- Limited to 12 students per semester

What Students are Saying About Granum Fire Academy

"I am very glad to have had the opportunity to do something meaningful while still in high school."

"This is an amazing program that gives you valuable life skills and knowledge."

"The people you train with will become like a second family. You need to trust one another to successfully complete tasks as a firefighter."
