

Grade One School Supply List

Hello Families,

I am very excited for the first day of Grade One! The students are always so excited to unpack their new school supplies, but it can be a little hectic with so many kiddos unpacking so many different items. **To make the first day of school run smoothly, I would appreciate it if you could please make sure all supplies are removed from their packaging, labeled with your child's name, and placed in the correct pencil case/bag.** Thank you! It really does make a huge difference!

Please send **all items** on the first day of school. It is amazing how quickly the students lose pencils, erasers, or go through glue sticks; it is a huge help to have things stored in the classroom to minimize disruptions during lessons. Also, if you are wondering why we need pencil crayons, markers, AND watercolor paints, we do A LOT of art in Grade One! We are certain to use everything on the list.

Thank you! That's all for now! See you on the first day of school!
